Please complete the Health Form information as requested. This will give the staff at Piomingo vital information about your child's health and dietary needs. Vegetarian campers and those with allergies to peanuts, seafood, etc can be accommodated by the kitchen staff but be sure to inform your counselors so that such arrangements can be made. Allergies should be reported to the camp nurse as well as to your camper's counselors. If you have a dietary concern, please feel free to contact the office at 1-800-411-5822.

What if my child wants to attend camp with a friend?

Campers who are enrolled in the same week and program may request a cabin mate. However, only one request can be guaranteed. It is a possibility that cabin mate requests with a large age difference may not be able to be accommodated. The Admin Staff at Piomingo will do their best to assign cabin mates as requested.

What if my child wants to return for another week?

If a child expresses an interest to the staff that he/she would like to attend another week at camp, a Program Director will be notified. The Program Director will then contact the parent to discuss the camper's request. At no time will a staff member guarantee a camper that he/she can stay another week. Staff always reminds the child that this decision is up to the camper and his/her family. If permission is granted, details concerning laundry, pick-up and medications will be confirmed with the parents. They will then be put in contact with the Office Manager to complete payment.

Can I contact my child while he/she is at camp? Can my child contact me while he/she is at camp?

We encourage parents to send positive, upbeat letters to their child during their stay at camp. Please address all letters to the camper and include their Unit and cabin number in the address. Campers can write return letters home and we suggest that parents pack envelopes and stamps for their children. Every child will send a Camper Postcard home after the first evening of camp (provided by Piomingo). [Bunk1](#) is a great online tool that allows parents to view photographs of their campers throughout the week at no cost and send one way emails to their children for a small fee. Children will not be allowed to call their parents for any reason. Cell phones are prohibited. An Admin Staff will get in touch with the parents if there is a need for them to be contacted about their child.

Any items that are found and not claimed are available for pick up in the Large Pavilion during check-out of each session. Unclaimed items will be held for 2 weeks before being donated.
